HOW TO MEASURE YOUR BODY

Step-by-Step Measurement Guide

- **Chest:** Measure around the fullest part of your chest with a tape measure level under your arms.
- **Waist:** Measure around your natural waistline (where the coat's waist seams and buttons sit).
- **Shoulder Width:** Measure across the upper back from shoulder tip bone to shoulder tip bone.
- **Back Tail Length:** Measure from the base collar seam down the center of the back to the end of the coat tail.

Fit & Layering Note: Designed as a classic Victorian tailcoat, this garment features a tapered waist fit. If you plan to wear a waistcoat/vest or thick dress shirt underneath, consider sizing up for comfortable buttoning and mobility.
