OUTERWEAR MEASUREMENT GUIDELINES

- **Chest:** Measure around the fullest part of your chest under the arms, keeping the tape level.
- **Shoulders:** Measure from the tip of one shoulder seam straight across the back to the tip of the opposite shoulder.
- **Sleeve Length:** Measure from the edge of the shoulder point down to the wrist bone.
- **Layering Clearance:** Trench coats and overcoats include built-in room for suit jackets or sweaters. Order your standard jacket size unless extra-heavy layering is planned.

CUSTOM LENGTHS & MADE-TO-ORDER FITS

Whether you need extended sleeve lengths, custom coat hem lengths (knee-length vs. ankle-length), or custom shoulder alterations, tailor-made sizing is available upon request.
